RE: PUBLIC HEARING
OCTOBER 20, 2005
EMPIRE STATE DEVELOPMENT CORPORATION

I WOULD LIKE TO BRING YOUR ATTENTION TO PAGE NINE / TABLE 2

Source: Forest City Ratner Companies (FCRC), August 2005

Notes: the building located on lot 13 of block 1129 is currently vacant. However, under an agreement between FCRC, which controls the 30- year lease for the property, and the party from whom FCRC purchased the lease rights, the building will soon be retented and used as an office building until the property is needed for phase II of the proposed project development.

GOOD EVENING LADIES AND GENTLEMEN:

I AM HERE THIS EVENING TO BRING TO YOUR ATTENTION A MATERIAL AND GROSS MISSTATEMENT CONTAINED IN THE PROPOSED DRAFT SCOPE OF ANALYSIS FOR AN ENVIRONMENTAL IMPACT STATEMENT ON THE ATLANTIC YARDS. ALTHOUGH MY ATTORNEY'S HAVE WRITTEN TO THE E.S.D.C. OVER TEN DAYS AGO TO ADVISE THEM OF THIS WHOLLY FALSE AND FRAUDULANTLY CONCEIVED STATEMENT, WE HAVE STILL NOT RECEIVED ANY ACKNOWLEDGEMENT OR REPLY. FOREST CITY RATNER PROPERTIES HAS MALICIOUSLY CLAIMED TO HAVE CONTROL OF THREE PROPERTIES WHICH I HAVE OWNED FOR OVER TWENTY FIVE YEARS. F.C.R.C. CLAIMS ON PAGE NINE OF THIS STATEMENT WHICH IS THE SUBJECT OF THIS EVENING'S PUBLIC HEARINGS THAT THEY ABSOLUTELY CONTROL BLOCK 1129/ LOTS #5, #6, #13 A PARCEL WHICH MEASURES: APPROXIMATELY ONE- HUNDRED - FORTY- FEET BY THREE- HUNDRED FEET BY ONE- HUNDRED- FORTY BY THREE-HUNDRED FEET ALMOST ONE ACRE. I HAVE NOT MADE ANY AGREEMENT WITH F.C.R.C. REGARDING THESE THREE PARCELS. THIS VERY MATERIAL MISREPRESENTATION IS EFFECTIVELY PULLING THE WOOL OVER THE EYES OF THIS VENUE AND OTHERS THAT WOULD READ THIS VERY FORMIDABLE DOCUMENT AND ACCEPT ITS LYING CONTENT AND STATEMENTS AS FACTS. I FIND THIS TO BE INCREDIBLE THAT A MAJOR CORPORATION SUCH AS F.C.R.C. WOULD MISREPRESENT SUCH AN IMPORTANT ISSUE. MY ATTORNEY'S AND OTHER EXPERTS ARE INVESTIGATING THIS SLANDER AND INCUMBRANCE WHICH F.C.R.C. HAS PLACED ON MY PROPERTY. I AM HERE TONIGHT TO DEMAND AN ANSWER. I DON'T KNOW QUITE HOW THIS IMPACTS ON THE ENVIRONMENT BUT CAN ONLY ASSUME THAT IF LIES AND TREACHERY ARE OBVIOUSLY BEING USED TO PUSH AND APPROVE THIS PROJECT THEN EVERY MATERIAL FACT IN THIS STATEMENT IS A SUSPECT. IT SEEMS TO ME THAT THIS STUDY HAS A VERY LIMITED AND BIASED SCOPE.

I HEREBY DEMAND A FULL INVESTIGATION OF THESE MISLEADING AND INACCURATE STATEMENTS CONTAINED WITHIN THIS SCOPE STATEMENT.

THANK YOU FOR YOUR TIME AND ATTENTION.
